<input style="width: 30px; height: 20px;" type="checkbox"/> <b>Total</b>	<input style="width: 30px; height: 20px;" type="checkbox"/> <b>Total</b>	<input style="width: 30px; height: 20px;" type="checkbox"/> <b>Total</b>	<input style="width: 30px; height: 20px;" type="checkbox"/> <b>Total</b>

## Criteria for Strategy Evaluation

**Please use the following criteria to evaluate the potential strategies:**

- Cost vs. benefit OR Return on Investment potential
- Time to realize an impact (short term or long term)
- Potential for and extent of impact
- Resource intensity
- Political feasibility
- Availability of evidence-based tactics; demonstrated success
- Degree of innovation
- Readiness of implementation or expansion; does the strategy already exist
- Potential for Sustainability
- Replicability and adaptability (to larger and/or different target populations)
- Level of stakeholder interest and support
